

## PRODUCT DATA SHEET – Sulfamic Acid Crystal

### PRODUCT #

---

110009

### SYNONYMS

---

Amidosulfonic acid, Sulphamic Acid, Sulfamidic acid, Imidosulfonic acid

### PRODUCT DESCRIPTION

---

Sulfamic Acid Crystal appears as off-white, odorless crystals

### PACKAGING AND SHIPPING

---

Available in 50 or 55 lb Bags

### CHEMICAL ANALYSIS

---

<i>Chemical Analysis</i>	<i>Typical Specification</i>
Purity	99.5% min
Sulfate	0.05% max
Iron	0.0025% max
Insoluble Substances	0.02% max
Loss on Drying	0.1% max
Chloride	.001% max
Heavy Metals	.001% max
Lead (Pb)	.0003% max
Mesh (20-100)	20 – 100 mesh
Appearance	White Crystals

### APPLICATIONS

---

Sulfamic Acid is used as a cleaning agent, as a descalant for scale removal, in the pulp and paper industry, as an herbicide, etc.
